

Pete's hat: glue it on, or leave it loose for him to doff to the ladies

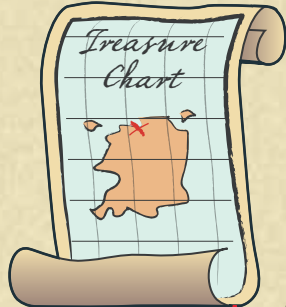

Tuck his sash in the slot in Pete's belt

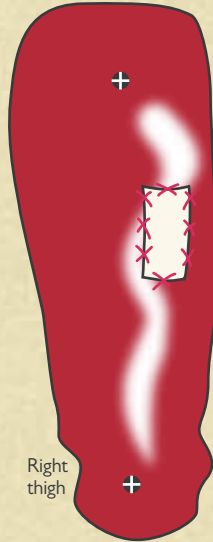

Left thigh

Glue on Pete's beard if you like pirates with beards

Where's the treasure hidden?

Right thigh

Left leg

Every pirate must have a parrot ...

... and a cutlass

Right leg

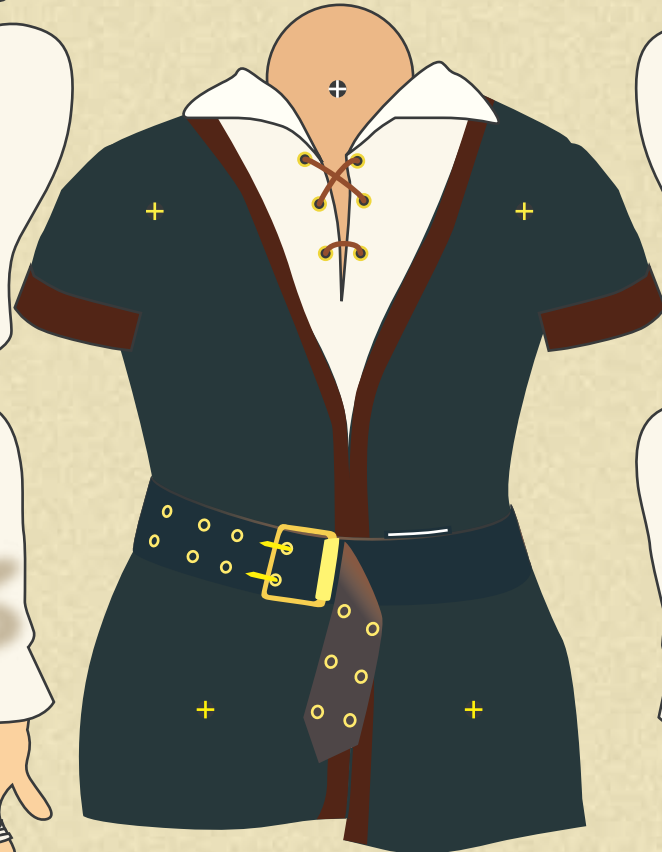

PIRATICAL PETE

Scourge of the Seas!

Everything you need for a bit of mayhem: just add a galleon and water

Left arm

Right arm

Cut this out carefully, me hearties, or ye'll be walking the gangplank!

Join the parts together with thread or brass paper fasteners
These parts go on top + these behind +
